Meeting Minutes

January 4, 2009

The meeting was brought to order at the CRRC Meeting Room at 5pm on January 4, 2009.

The first order of business was a visit from representatives of the CFPO-PAL League. They made a presentation about their league, and answered questions by our Board. They have a centralized league, based in San Marcos, and place less emphasis on competition, and more on character development. They also maintain a low price tuition for their players, which is offset by the other sports leagues that they have. They provide all equipment needed for the kids and charge \$90 for players. www.cfpopal.com

The minutes from the December meeting were passed out and approved. The motion was made by Pat Hardin and 2ndd by Russell Moore.

A treasurer's report was presented; the total in the account was \$5655.06.
